St. John Ambulance

**BE PREPARED FOR ANY
EMERGENCY THAT COMES
YOUR WAY—
AT WORK, HOME AND PLAY**

Emergencies can happen anywhere and at any time, from relatively minor cuts and scrapes to more serious incidents that may require the assistance of medical professionals. While there is no way to predict when and where an injury may occur, there is a way to ensure that you have the right tools when you need them.

Being prepared and ensuring the safety of people you care about comes easily with the wide choice of first aid kits available from St. John Ambulance. Designed for peace of mind, our first aid kits ensure quick and simple access to the supplies you will need in an emergency.

Portable, well-stocked and affordable, St. John Ambulance first aid kits are the perfect safety choice to keep at home, in the car, at the office or to take with you.

Since 1883, St. John Ambulance has been ensuring the safety and well-being of Canadians. Today, through locations in every province, professional St. John Ambulance instructors provide Canadians with comprehensive first aid and CPR training for the home, schools and workplace. In communities across the country, thousands of St. John Ambulance volunteers assist with community events and during times of emergency. Our vast knowledge and hands-on experience goes into every first aid kit that carries the St. John Ambulance name.

When it comes to first aid and safety, you can count on St. John Ambulance. Hundreds of thousands of other Canadians already do.

ESSENTIAL TOOLS IN ANY EMERGENCY

FIRST AID KITS THAT MEAN BUSINESS

Family Kit

Keeping the Family Kit close at hand ensures that you will be ready for small, medium and large wounds as well as burns. Housed in an easily transportable carrying case, this kit is a popular choice for home and cottage.

Vehicle Kit

Being on the road should never mean being at risk. This kit is small enough to store under a seat and includes a SOS signal that can be used to flag down passing motorists or emergency vehicles. Don't leave home without it.

CPR Kit

Barrier devices offer important protection to the rescuer and the casualty when dealing with cardiac arrest or severe breathing difficulties. Small enough to hang off a belt, the key ring pouch design includes a disposable one-way valve CPR mask, wipes and gloves.

Sports Kit

Coaches, trainers and especially athletes will appreciate this kit in the field or arena. Injuries are a part of almost every sport. This kit should have a place at every sporting event. It includes splints and cold packs and is small enough to easily fit in a sport or equipment bag.

Compact Kit

This kit is popular with hikers, bikers and outdoor enthusiasts in general. It easily fits in a backpack or hooks over a belt. It includes everything you'll need on the trail for minor cuts and abrasions, at a size that won't slow you down.

Fanny Kit

Another popular choice for hikers, bikers and outdoor enthusiasts, this kit features a weather resistant exterior and adjustable belt. Just strap it on and you'll be ready for minor cuts and abrasions.

St. John Ambulance has been a leader in workplace safety since the industrial revolution in the later 19th century. Today our kits can be found in virtually every kind of business setting in Canada including stores, restaurants, commercial vehicles, warehouses, offices and manufacturing facilities.

Our first aid kits for business are designed to meet provincial workplace and federal government regulations.

KITS FOR FIRST AID PROFESSIONALS

St. John Ambulance not only trains Canada's leading first aid professionals, it also provides the kits that these professionals depend on in an emergency. Designed for use in specific situations and settings, these professional kits are what the pros use from coast-to-coast.
