

**St. John Ambulance**

**SAVING LIVES**  
at work, home and play

## **Who We Are**

As Canada's leading first aid and safety charity, St. John Ambulance is dedicated to enabling people's health, safety, and quality of life through training and community service. Building on a 900-year tradition, St. John Ambulance provides first aid, CPR, and safety training and products, where proceeds also help fund several charitable community programs. St John Ambulance British Columbia and Yukon strives to be the National leader on technology upgrades, providing community services, and create a dynamic working environment to attract talented employees.

## **General**

Our British Columbia and Yukon headquarters are seeking a Community Transfer Program Team Member to work on a casual part time basis. You are a caring and compassionate individual who will be responsible for the safe transport of clients via stretcher or wheelchair to or from a healthcare facility, nursing, or private residences in Lower Mainland/Fraser Valley areas.

This is a rewarding job and a great career building for anyone wanting to work in the medical and first responder field, including paramedics and firefighting. In this role, you will learn and grow to achieve both personal and organization goals.

## **Responsibilities and Duties**

- Work as part of a team;
- Provide excellent customer service;
- Take the appropriate actions to efficiently get to a positive outcome;
- Responsible for the safe transport of clients via stretcher and wheelchair to or from healthcare facility, nursing home or private residence;
- Drive the ambulance and establish and maintain communication with the Customer Care Team;
- Understand the provision of patient care in accordance with provincial standards;
- Assist in the safe maintenance of the ambulance, equipment, and supplies;
- Maintain adequate records in accordance with organizational and provincial standards;
- Identify and reports security/safety issues;
- Perform other related duties as required;

## **Knowledge and Skills**

- Valid Class 1, 2 or 4 Driving License (Mandatory);
- Valid OFA 1 or higher, Medical First Responder, Emergency Medical Responder, or higher medical designation;
- Valid CPR and First Aid (Level C);

## St. John Ambulance
